

André PRÜM is **Professor** of law in at the University of Luxembourg since 2005 where he holds the Chair in Financial and Business Law. He served as founding **Dean** of the Faculty of Law, Economics and Finance of the University of Luxembourg for seven years until 2012. In 1995, he qualified en 1995 as a Law professor in France (Professeur agrégé des Facultés de droit de France) and held a position at the University of Lorraine (1995-2005). In June 2014, the University Laval, Québec-City, Canada awarded him an honorary doctorate. He is regularly invited as visiting professor, most recently by Columbia Law School in New York, the Université Laval in Québec, the European University Institute in Florence, the University of Paris I Sorbonne and the University of Paris II Panthéon-Assas. André Prüm's research areas focus on European Banking and Financial law, Luxembourg and French Business Law, European Company Law and Corporate Governance, Transnational commercial law, European contract law. He is the author of several books and publishes regularly on those topics in European and international legal journals. During the last twenty years, André Prüm has been strongly involved in the modernization of Luxembourg's legal infrastructure. The government of the Grand-Duchy of Luxembourg requested him to prepare major reforms of Luxembourg business law leading in particular to a complete overhaul of company law, the introduction of the law on securitization, the first law on electronic commerce, a law on trusts and fiduciary contracts as well as a reform of competition law.
